December 14 2022

To Premier of Ontario Doug Ford

A few Muslim Credit Union Members created a website www.MuslimCreditUnionMembers.ca last year.

With this communication we are formally requesting for a Public Inquiry. We understand it has to be initiated by the Government. We reference:

You will find more information on www.MuslimCreditUnionMembers.ca. We have started a petition.

We understand many Muslim run charities have had bank accounts closed by banks and other financial institutions with no due diligence. We wish to have the Inquiry investigate these allegations in addition to the treatment of Muslim Credit Union members.

Attached is a letter by MP Matthew Greene Feb 15 2022.

Our group of Muslim Credit Union Members are happy to meet with your office.

Sincerely

Muslim Credit Union Members
